*Introducing the  
New Aqua II Series*

# Welcome to the Aqua II Series,

*that features soothing comfort while maintaining its contoured shape.*

*With the unique "floating synchro" design of the Aqua II, the back and seat work in perfect harmony with your body. The seat shifts synchronously with the contour mesh back to achieve the optimal position throughout the complete range of motion.*

*From concept to creation, this innovative chair was designed to*

*meet the needs of today's working environment. It combines contemporary styling with the unique benefits of the floating synchro technology.*
